Financial Policy

We are dedicated to providing you with the best possible care and service, and regard your understanding of our financial policies as an essential element of your care and treatment. To assist you, we have the following financial policy. If you have any questions, please feel free to discuss them with our staff.

Payment is due at the time of service. For your convenience we accept VISA, Master Card, Discover, American Express or Debit Card.

Using Insurance for Services @ Bellaire Family Eye Care Suite #107: We have made prior arrangements with many insurers and other health plans. We will bill those plans with which we have an agreement and will collect any required co-payment at the time of service. In the event your health plan determines a service to be "not covered", you will be responsible for the complete charge. In that event we will bill you, and payment is due upon receipt of that statement.

If you have insurance coverage with a plan with which we do not have a prior agreement, payment is due at time of service. We will provide you with documentation for you to file.

Minor Patients: For all services provided to a minor, the adult accompanying the patient is responsible for payment.

Services from our Vision Learning Center Suite #102:
Our Vision Learning Center (Suite #102) is a Self Pay Clinic. We do not file any insurances and payment is due at the time of services.

Missed Appointments: In order to provide the best possible care and availability to all our patients, it is our policy to require 24 hour notice to cancel any appointment. At the time of cancellation you can reschedule a make-up date.

I have read and understand the financial policy of Bellaire Family Eye Care and the Vision Learning Center and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time to time by the practice.
